JUNIOR GOGGLES (Up to age 6)

Kids Flyer

Your first window to an underwater world. Duo coloured, UV protective and anti-fog make these one of the best choices for a little ones first foray into the water. One piece nose bridge, split strap and quick-fit clip for easy adjustment.

NEW!

Illusion

Budding water explorers will enjoy hours of fun in the water with our Learn to Swim goggles. Colourful, comfortable and easy to secure, our Kids Illusion Goggle has a flexible one-piece construction which adapts to your child's face shape for a comfy fit. Durable lenses keep the fun going for longer, while the kid-friendly fit includes a Speed Fit clip and push-button at the rear for easy adjustments. Suitable for ages 3-6 years.

Infant Biofuse Mask

Discover a whole new underwater world with our Biofuse Infant Mask in new, vibrant colours. Still designed with our best-selling Speedo Biofuse technology and features a velcro side adjustment for a quick and easy fit. Suitable for infants aged 1-3.

JUNIOR GOGGLES (6-14 yrs)

Aqua Junior

An ideal entry-level goggle from SwimTech, the Aqua Junior is great for trips to the pool and holidays. It features soft silicone seals for comfort, an adjustable nose bridge and an easy-to-fit head strap, along with a polycarbonate lens offering UV protection.

Jet 2.0 Junior

Great for holidays, lessons, and fun in the pool, the Junior Jet 2.0 Goggle includes a durable lens for improved visibility. Designed for active swims, it has a classic profile and includes an easy-adjust nose bridge and single head strap for a secure fit. Suitable for juniors aged 6-12 years.

Jet Mirror Junior

NEW DESIGN

Great for trips to the pool and holidays, the Jet Mirror Junior goggle from Speedo is built for young swimmers on the go. Its chrome mirror finish adds extra sun protection for bright outdoor sessions, while anti-fog coated lenses with 100% UV protection keep vision clear underwater and eyes shielded from the sun. An adjustable nose bridge and single head strap make it easy to get a secure, comfortable fit. Suitable for juniors aged 6-14 years.

Futura Hydrospex Junior

Introducing the Junior Futura Hydrospex, our #1 recreational goggle for young swimmers. It blends the proven performance and trusted fit of our best-selling Futura Classic and Hydrospex goggles to deliver the ultimate recreational goggle. Soft seals provide lasting comfort from lessons to leisure, while the notched, split backstrap allows a customisable fit. With the reliable fit young swimmers know and love, it's the best of both goggles – in one easy-to-wear design.

JUNIOR GOGGLES (6-14 yrs)

Biofuse 2.0 Junior

Our Biofuse junior goggle just got better. Sharing the same best-selling Speedo Biofuse® technology as our adult goggle, the colourful Biofuse 2.0 Junior goggle takes comfort and fit to the next level with a patent-pending push-button mechanism and super-soft seals. With playful, bright colours and an easy-fit design, it's everything they love about Biofuse - now even better. Suitable for juniors aged 6-14 years.

Biofuse 2.0 Mask Junior

Introducing our Biofuse 2.0 Junior Mask. An evolution of our best-selling Junior Biofuse Rift mask, this second-generation, watersports-friendly design includes a unique curved lens so young swimmers can enjoy an expanded field of view. Taking cues from our Biofuse 2.0 goggle, it pushes comfort and fit to the next level with a soft, flexible silicone skirt, updated split-strap design and an easy-adjust push-button mechanism.

Fastskin Hyper Elite Mirror Junior

We're proud to introduce the Fastskin Hyper Elite Mirror Junior Goggle. Packed with cutting-edge hydrodynamic and performance-enhancing technologies, this new and improved Hyper Elite Junior goggle gives up-and-coming athletes the confidence they need to perform on race day. Suitable for juniors aged 6-14 years and fully approved by World Aquatics.

SENIOR GOGGLES

Jet 2.0

A new and improved version of our popular Jet goggle, the Jet 2.0 Goggle includes a new, larger lens for improved visibility and a newly shaped adjustable nose bridge for a more modern and comfortable fit. With an easy-to-fit single head strap and clear lenses for maximum visibility in low light conditions, it's ideal for indoor swimming. Like all Speedo goggles, the Jet 2.0 Goggle offers 100% UV protection and comes with an anti-fog coating for clear underwater vision.

Jet 2.0 Mirror

A new and improved version of our popular Jet goggle, the Jet 2.0 Mirror Goggle includes a new, larger lens for improved visibility and a newly shaped adjustable nose bridge for a more modern and comfortable fit. With an easy-to-fit single head strap and mirror-coated lenses to reduce brightness and glare, it's ideal for sunny holidays and offers 100% UV protection for peace of mind during your swim.

Futura Hydrospex

Introducing our #1 recreational goggle. The Futura Hydrospex blends the proven performance and trusted fit of our best-selling Futura Classic and Hydrospex goggles to deliver the ultimate recreational goggle. Mirror-coated lenses reduce brightness and glare. Developed in close collaboration with the world's top athletes and fully approved by World Aquatics.

SWIM ACCESSORIES

Silicone Cap

The SwimTech Silicone Cap is a durable, unisex swimming cap offering a comfortable, performance fit for adults. Perfect for regular training sessions.

AVAILABLE IN MULTIPLE COLOURS

Silicone Cap Speedo

A better fit for a better performance. Designed to help create a smooth, hydrodynamic outline in the water, this plain moulded Silicone Cap from Speedo features an ergonomic 3D design for an incredibly comfortable fit. Ideal for regular swim sessions, the durable silicone means you'll be able to wear it swim after swim, protecting your hair from chlorine damage.

AVAILABLE IN MULTIPLE COLOURS

Long Hair Silicone Cap

Designed specifically for swimmers with long hair, this cap from Speedo has extra space for tucking and is constructed from soft, lightweight, latex-free silicone for a snag-free fit. The easy on-and-off design won't pull or catch your hair.

AVAILABLE IN MULTIPLE COLOURS

Noseclip

This SwimTech Nose Clip helps you find focus in the pool, keeping water out of your nose during your swim so you can concentrate on your stroke. Designed for a secure, comfortable fit, it includes a handy storage case.

Earplug

SwimTech Reusable Ear Plugs keep water out and comfort in. Made from soft, flexible silicone, they create a secure, watertight seal while remaining comfortable for extended wear. The vented design helps equalise pressure, reducing the 'plugged ear' feeling, and they're reusable and easy to clean.

Universal Noseclip

A kit bag essential from Speedo. The Universal Nose Clip keeps the water out of your nose during your swim so you can concentrate on your stroke.

Ergo Earplug

The updated Ergo Ear Plugs from Speedo are ergonomically designed to offer the closest, most secure fit possible. Made of high-quality, PVC-free TPR, they're super comfortable and easy to insert and remove, with a storage case included.

Competition Noseclip

The Speedo Competition Nose Clip is a top choice for focused swimmers. Made from soft and lightweight silicone with nose pads for comfort and an adjustable stainless steel design, it offers a secure, low-profile fit so you can stay focused on your stroke, not leaks.

Biofuse Earplug

Engineered for superior comfort, Speedo's Biofuse Earplugs have an ergonomic design that's shaped to the ear canal for a secure fit during your swim. Easy to insert and remove, they keep the water out so you can train without distractions. 'R' and 'L' markings help you identify left and right, while the unique clip-together system floats in the water for easy location.

SWIM ACCESSORIES

Armbands

Armbands are the key to making little explorers feel confident in deeper water, and ready to unlock adventure beyond the shallows. Speedo's Armbands are made of high-quality PVC with safety valves and manufactured to Australian and European safety standards.

Magic Gloves

Magic Gloves - soft, stretchy one-size gloves made from acrylic and elastane, offering a snug, comfortable fit for most hands. Warm and flexible, they're a popular choice for ice skating and other outdoor activities.

Key Padlocks

Durable Key Padlock offering secure, reliable protection for lockers, gates and cabinets. Simple and practical for everyday leisure centre use.

ICE SKATING

Guards

Skate Guards protect ice skate blades from being dulled or nicked when walking on hard surfaces off the ice. An essential accessory for any skater, they slip easily over the blade and help keep edges sharp for longer between sharpenings.

Blade Soakers

Blade Soakers are soft, absorbent covers that fit over ice skate blades after use, wicking away moisture to help prevent rust and keep blades in good condition between skating sessions. Unlike hard skate guards, they're designed for storage rather than walking, and should always be paired with guards for full blade protection.

Skate Socks

Skate Socks are designed to be worn under ice skates for extra comfort and warmth, with a snug, seam-free fit that helps prevent rubbing and blisters during skating.
